Leininger's Culture Care Diversity And Universality: A Worldwide Nursing Theory (Cultural Care Diversity (Leininger))

Synopsis

Leininger's Culture Care Diversity and Universality, Third Edition presents an expanded view of the Culture Care Theory as well as integral components of the Ethno-nursing Research Method. The use of the CCT with new research methodologies such as meta-ethno-nursing as well as other established qualitative methods is also covered. The theoretical framework of the culture care theory is used to inform research, teaching, and practice. It is a holistic and comprehensive nursing theory focused on discovering relationships among and between care and health phenomena related to wellness, health, disabilities, and death for people from diverse cultures. Third Edition Features: Chapter reference lists Discussion questions for use in education, practice, or discussion settings Instructor Resources include: Test bank Sample syllabi for course development that parallel content of chapters
