Travel Poland 2012 - Illustrated Guide, Phrasebook & Maps. Includes Warsaw, Krakow And More (Mobi Travel)

Synopsis

This illustrated Travel Guide is designed for optimal navigation on Kindle and other electronic devices. It is indexed alphabetically and by category, making it easier to access individual articles. Articles feature information about attractions, landmarks, districts, transportation, cultural venues, dining, history and much more. Addresses, telephones, hours of operation and admissions information are included. The guide is complimented by clearly marked maps that are linked to city attractions. An interlinked phrasebook and a pronunciation guide are also included. NEW FEATURE: The attraction articles now include links to Google Maps. On a dedicated electronic reader with a slow connection and a primitive browser, Google Maps will display the attraction on the map along with metro stations, roads, and nearby attractions. On an internet-enabled device such as the iPhone and the iPad, Google Maps will even show you the route from your current location to the attraction you want to go to. With this travel guide you can turn some eReaders into an audio guides. For example, on the Kindle, just open an article and click Shift+SYM to activate text-to-speech. Put the speaker on the back of the Kindle against your ear and enjoy your virtual travel companion. Press Spacebar to pause/resume text-to-speech. All travel guides in the Mobi Sights series are only \$0.99. Search for any title: enter mobi (short for MobileReference) and a keyword; for example: mobi Paris. Table of Contents: 1.
