## Customer Reviews

Nancy Loewen has published many books for kids. She's a two-time Minnesota Book Award finalist (Four to the Pole and The LAST Day of Kindergarten) and the recipient of a Distinguished Achievement Award from the Association of Educational Publishers (Writer's Toolbox series). She holds an MFA from Hamline University in St. Paul. Nancy has two children and lives near Minneapolis. To learn more, visit [www.nancyloewen.com](http://www.nancyloewen.com).

Disappointed in this book. The information is not correct. [f](#) [A](#) [A](#) [A](#) [E](#) [A](#) [a](#) [c](#)

Educators, do NOT purchase this book!! Yes, the title is a metaphor. However, the contents is filled with figures of speech that are NOT metaphors!! It would embarrass you and confuse your students. The author does not know the difference among figurative language herself. Shame on the editor and publisher. should not carry this book!!!!

Pretty much all of the metaphors are also idioms which made them more difficult for my students to understand when they had to write metaphors.

This was a great way to introduce my students to figurative language. It gave them great visuals and they were able to come up with some funny ones themselves. Great teaching tool!

I bought this for my grandson who I enjoys figurative language. Wish it had been more explanatory.

This one was very helpful, too. it gave them a good look at what was going on around them when they were out in public.

great book to teach metaphors, which are so much harder than similes. I even learned more about metaphors!

I probably wouldn't order this one again.
