# Travel Through Jordan: Land Of Temples, Fortresses And Mosaics (Day One Travel Guides)

## Synopsis

In addition to Petra, Jordan's deservedly its most famous site, the incomparable desert vistas of Wadi Rum, the sub-tropical valley corridor and Gilead's wooded limestone uplands equally leave the visitor in amazement. With access to the Red and Dead Seas, a visitor can experience the full range of the Jordanian biblical landscape. Roman urban life in the East at the time of Christ is here, as are sites shedding light on Old Testament peoples like the Ammonites. Travel through Jordan aims to relate both well-known and little known sites to the scriptural background in which they belong.

## Customer Reviews

Edward Dawson studied theology at All Nations Christian College and has an M.th in Church History from Kings College, London. He has taught for some years at Jordan Evangelical Theological Seminary, including a course on the Biblical Geography of Jordan and Syria. He has been visiting sites in Jordan associated with the Bible for over twenty years.

I have been to Jordan a dozen times and this book wonderfully synthesizes the Biblical connections to Jordan - the "other Holy Land." I have purchased multiple copies now for gifts it is that good. Needs to be used in tandem with a good map and the Blue Guide Jordan or another travel book. Hope there will be an expanded 2nd edition.
