Please find this is the pen name for poet Iain S. Thomas, who together with photographer Jon Ellis, created the worldwide smash success *I Wrote This For You*, a collection of personal, anonymous poetry and photography. While Iain and Jon work on a variety of projects and books in their day to day lives, they passionately continue on with the original project which has connected them to their thousands of fans around the world.

Bought for daughter for xmas, she loves it!

My daughter loves this book! I would def recommend it to high school aged girls. Can't wait for more like this!

I'm a big fan of Mr. Thomas' work. I own every single book he's published, and each time I purchase a new one, the words continue to get deeper and more personal. Every single poem is breathtakingly beautiful, and I've found myself able to relate to each and every one in some way, whether it be big or small.

Everything Iain writes speaks directly to the reader. It's amazing how each person is able to derive their own personal experience from his words, and feel as though he has written it just for you. I carry his books where ever I go, and they always seem to contain the right words to soothe my soul in any given situation. Thank you for sharing your gift, Iain.

Have the whole collection .. absolutely beautiful

This was amazing, I enjoyed about 80% or more of the poems. It is true and human and is applicable to anyone due to the vagueness in certain parts.

Great book, great poems, on of my favorite series but it is better as a paper book then online. I miss bought the kindle version.

There's a few good poems but a lot of them were bland or worded badly and just weren't really catching to the soul.
