# 4th Grade Reading Comprehension Success: Activities, Exercises, And Tips To Help Catch Up, Keep Up, And Get Ahead (Sylvan Language Arts Workbooks)

## Synopsis

Good reading skills are essential not only for fourth-grade academic success, but also for lifelong learning. The teacher-reviewed, curriculum-based activities and exercises in this workbook will help your children catch up, keep up, and get ahead. Best of all, they'll have lots of fun doing it! Some of the great features you'll find inside are:

- READ BETWEEN THE LINES** Do-it-yourself essays on games, camping trips, and more teach kids how to grasp inferences within a story.
- COMPARE & CONTRAST** Diagrams show how to figure out what similar subjects such as "comets or asteroids?" have in common and how to tell them apart.
- FACT & OPINION** Interesting articles help kids back up opinions with facts from the text on topics such as "Should kids have cell phones?"
- QUESTION BUSTERS** Right There and Think-and-Search questions explain how to find the answers to straightforward and not-so-straightforward questions about a story.
- STORY PLAN** Fill-in-the-blank sections aid in building story structure, including setting, main characters, problems, and solutions.
- Plus! CHECK IT! STRIPS** Reinforce concepts and build confidence as kids check their own work.

## Customer Reviews

"If you are looking for some good, fun, learning books for your child, I definitely recommend the Sylvan Learning series." -thedadjam.com "Samantha loves these books because to her, they are not school work. They are fun activities. But really she is learning, and doing the same work she does at school." -Mommymandy.com "Since I was beginning homeschooling and looking for a good 'workbook' type system for my child to learn from aside from our other homeschool activities, I decided to try it out. My son loves the workbooks." -thedomesticdiva.com "The activities are FUN and our son doesn't realize that while he's having fun he's also learning and reinforcing what he's learned." -Shescribes.com "My daughter has picked up some great study habits and she loves that we don't spend hours on one subject. I recommend these workbooks to everyone homeschooler or not, as they can really add to your child's learning experience." -Thedirtyshirt.com "I love how each activity in a section connects to each other, which allows the child to really grasp the concepts. The pages are full of interesting stories and fun activities. The workbooks also make it easy for kids to check their own work which will help them gain confidence in their skills." -Melissaclee.com "As an early childhood teacher, I know that good reading, vocabulary, and spelling skills make an essential foundation for both academic success as well as lifelong learning. Sylvan Learning Workbooks & Learning Kits are an awesome resource that I'd have no problem recommending to the parents of any of my students who are struggling. The teacher-reviewed, curriculum-based activities and exercises in these books are great for helping a child achieve success with reading, provided that they're worked through with a loving and patient adult." - TheOpinionatedParent.com

My grandsons were struggling a bit with reading comprehension and writing summaries or book reports after reading assigned work. This workbook helped them learn how to pay attention to key points, to write a decent summary, and to be able to compose a short book report based on whatever works they read. Great book!!

Ordered this for my 4th grade son. Was apprehensive because he doesn't like to read articles/stories and write responses (didn't want to deal with meltdowns)...but he enjoys the articles/stories in the book and happily shares what he read. The questions asked forces him to think about what he's going to read or has read...which helps him be more thoughtful in his learning.

I love the setup of this book. It asks questions before the reading which helps so much. It aids in knowing what to look for when you read and has been a great resource for my reluctant reader.

My daughter has been struggling a bit with reading. These are great exercises and similar to what she does in school, so the extra practice is great!

My great niece has trouble with this area of schooling, so it is my prayer that this will help her.

good lessons . some were too easy and some i didnt even get ! ...needs more examples

Very helpful.

Excellent!!
