15 Minutes Alone With God For Men

Synopsis

Sporting a handsome new cover, this popular guide (more than 200,000 copies sold) provides men with everything they need for daily spiritual refreshment and renewal. Like an older brother, Bob Barnes encourages men to develop their character as they enjoy intimate, life-changing encounters with God. Each day's offering includes a short Scripture reading (and a key verse to focus on throughout the day), a simple but thought-provoking devotion based on everyday life, a prayer, and action points that help guys apply what they read. These dynamic 15-minute devotions will inspire, challenge, and equip men to grow closer to God and more effectively love and lead the people God has placed in their lives.

Bob Barnes and his wife, Emilie, are the founders of More Hours in My Day time-management seminars and coauthors of numerous books including Together Moments for Couples and 15-Minute Devotions for Couples. Bob is also the author of the popular 15 Minutes Alone with God for Men and 5-Minute Faith Builders for Men.

More for a young or new in Christ person (I felt) . I bought it for a mature Christian... so, not saying the book is bad just for more select customers.

A great devotional that I have been using every day. Wonderful messages with follow up verses to

read and study. I have already recommended it to other men in my church.

I purchased this for my husband. Each morning he completes the devotional in it. There is nothing sexier than a man spending time with our Lord! ã Â Â^Â%.

I thoroughly enjoyed this book. If you want to improve yourself as a man and draw closer to God then read this book.

This devotional was in the young men's category, but the person I bought it for said it's a lot about marriage and kids. Not for a college student.

Got my devotional Saturday. Quick ship and the devotional seems like it's going to be a good one. One thing I like about it is that you can go through it three times, there are 3 check boxes at the beginning of each day's devotional so you know what you've read. Also, there is no particular order so you can go through in order, or search for something that may be calling to you that day.

This is great for busy men, I bought it for my husband and he loves it!

My husband really enjoys this book.
