# Elvis And Ginger: Elvis Presley's Fiancée And Last Love Finally Tells Her Story

## Synopsis

THE NEW YORK TIMES BESTSELLER  
Elvis Presley's fiancée and last love tells her story and sets the record straight in this deeply personal memoir that reveals what really happened in the final years of the King of Rock n' Roll. Elvis Presley and Graceland were fixtures in Ginger Alden's life; after all, she was born and raised in Memphis, Tennessee. But she had no idea that she would play a part in that enduring legacy. For more than three decades Ginger has held the truth of their relationship close to her heart. Now she shares her unique story. In her own words, Ginger details their whirlwind romance—from first kiss to his stunning proposal of marriage. And for the very first time, she talks about the devastating end of it all and the fifty thousand mourners and reporters who descended on Graceland in 1977, exposing Ginger to the reality of living in the spotlight of a short yet immortal life. Above it all, Ginger rescues Elvis from the hearsay, rumors, and tabloid speculations of his final year by shedding a frank yet personal light on a very public legend. From a unique and intimate perspective, she reveals the man—complicated, romantic, fallible, and human—behind the myth, a superstar worshipped by millions and loved by Ginger Alden. INCLUDES PHOTOS

## Customer Reviews

It was very informative but, these "one-sided" accounts AFTER the subject is deceased & can't refute any of the "story" interferes, a little, with the legitimacy & enjoyment of the read!

great reading. mostly fiction.

Loved, loved, loved the book. It was worth waiting for. Renewed my interest in Elvis and his music and Graceland. I have already recommended this read to my family and friends...

### GOOD READING

I thought this was a very well written book, easy to read. Most of Elvis's Memphis Mafia wasn't around him in the final two years of his life. So not a lot of first hand knowledge of Elvis's final months from people that were there. Just hearsay from some of the guys and others that say they were there or rewrite history to make themselves look better or more important. Ginger was there and tales first hand accounts of her almost year with Elvis. Most of the stories I have never heard or heard some version of them like when Elvis shot his toilet in Graceland for running. I remember when Elvis died and heard people say she could have saved him and other nonsense. I don't know if Ginger is a good person or a bad person, but I do know she was way too young to be with Elvis, not only the biggest superstar ever, but he was twice her age. If I was 20 years old and found Elvis dead on the floor, it would mess me up for the rest of my life. I enjoyed the book very much.

Interesting book. Great Service.

Oh my goodness, the book was so good, couldn't put it down. I understand why she waited so long to write her memories. She made me feel like I also new Elvis personally.

Very interesting read
