## Customer Reviews

This long-anticipated memoir by one of America's sexiest and most celebrated entertainers leaves much to be desired in the personal detail department. Although the Swedish-born (but Midwestern bred) actress acknowledges that she has never been comfortable with public candor, her withholding of certain pieces of autobiographical information will irk many of her fans, particularly those who have waited for the truth about her relationship with Elvis, whom she refers to here as her "soulmate." But she reveals little about their long-rumored romance, only that "in a moment of tenderness" he bought her a round bed colored hot pink. Still, despite its lack of deep secret sharing, this autobiography--written with the able assistance of Gold (who has previously penned memoirs for Brian Wilson and Drew Barrymore) can't help but deliver a riveting story that chronicles the seemingly charmed (but in reality strife-ridden) life and career of one of pop culture's female pioneers. Photos not seen by PW. First serial to Good Housekeeping; Literary Guild and Doubleday Book Club featured alternates; author tour. Copyright 1994 Reed Business Information, Inc.

Star of screen and stage, secretive beauty Ann-Margret sheds light on her career and her personal

life.Copyright 1994 Reed Business Information, Inc.

Very interesting. Great stories from Hollywood.

Very good. Just what I was looking for.

An interesting actress with a very impressive career. I always loved her work and wanted to view it from her perspective

This book was written by Ann herself which gave it a lot of insight that you wouldn't otherwise expect. I enjoyed it immensely and couldn't put it down. She was an amazing person and enjoyed life as everyone wishes they could.

I really enjoyed this book! Ann-margret is to be admired! Very few in show business stayed married for as long as they have!

I Got a new insight into the real person. Well written and changed my opinion of the girl. I recommend it highly.

Great book

ADORABLE!
