## Customer Reviews

Terrific book with great photography. Really gives a sense of the place. My husband and I grew up in New Mexico and know many of these locations first hand. Seeing the pictures made me feel right at home. New Mexico has a varied past in which these churches have played an integral part. The author has provided an interesting text to give everyone a sense of that history.

Beautiful book in great condition.

I really love this book. Churches are an Icon of the southwest area and this books portrays them beautifully. Great gift idea for the difficult to buy for.

Very interesting. Lots of great pictures. I visited many of these churches, so it is a nice reminder of a fabulous trip. A coffee table book that many people enjoy when they visit my home.
