Customer Reviews

Dr. Mohamed Hassan Fadlalla, born in Omdurman in Sudan, finished first law study in University of Cairo, obtained Master degree in International Law from University of Bremen and later PhD degree in Laws From University of Hamburg in Germany, now living and working in Germany.

This book is relatively difficult to read. It appears to be written in another language and translated to English. Many of the sentences are confusing to follow. There are also a lot of grammatical errors which make the book difficult to read quickly and interrupt its flow. Overall it is not very helpful for people who want a quick read and general overview of Sudan.
