# Who Was Jim Henson?

## Synopsis

Jim Henson broke into television with a five-minute puppetry segment when he was only a freshman in college. He created puppets like none ever seen before, with expressive fabric faces and rod-controlled arms. His Muppets became world-renowned celebrities and formed the backbone of a media empire. With black-and-white illustrations throughout, this easy-to-read biography will be published twenty years after Henson's untimely death.

Good I didn't like that you didn't keep carrying on about the topic that you were on. Ya u pretty much liked it

Easy read full of details of Jim's creativity and personal life. Would recommend to any Muppet lovers or Henson fans!

Jim Henson is very inspiring person for people who would like to be in the arts and is a very quick read

My daughter had to pick an influential historical figure for her live museum project and Jim Henson was by far the most fun and interesting of this book series! Highly recommended.

Great book it was a gift and she loved it!!!! sender sent immediately : )

I loved this book. Jim Henson is one of my true heros. The book was well written and informative. I would highly recommend it.

easy to read. My 3rd grader used this for a report. I found it interesting too. I look forward to reading additional books from this collection.

Love this series of books
