## Customer Reviews

I downloades several books on my Kindle Fire to have available for bedtime stories with grandchildren. Was a fun story for them and a perfect length to complete before sending them happily off to bed.

My 5yr got lost and then I took it to her pre-k class, they got lost too. Good for 6+ yr olds and it would be great to have some music!

Great story, would have liked more pictures. Easy to read. Good book for the kindle. Would buy

again & again
