Customer Reviews

Cocktail for every occasion, this book came to me by chance. Today I was just thinking about heading down to one of the juba (in China) to have a drink. Well, the plan has drastically changed since I started reading the first chapter of this book. It made me so so homesick, as I am from the islands and our favourite drinks are island style rum punch. Got my self-organized with my ingredients and I've had 2 glasses of Elvis and 1 Bahamas Mama. Absolutely loved it. So I thought to drop a short review and thank the author for the easy to follow cocktail recipes. I better sign off now... Kudos to the author!!!

This book has some great sounding cocktails in it! There's no pictures but the recipe description sound so good! I can't wait to try some of these. I love strawberry daiquiris & now I have the recipe to make my own! No more buying the mixer! This is a good book!

Excellent for Caribbean drinks. Good instruction. Some ingredients may be difficult to find, but, worth the effort. A very nice addition to cocktail books, This is a gift to a friend who wants to learn how to

make drinks and these should be fun for summer gatherings.

Incredible cookbook on the best way to make mixed drink. Data in the book incorporates diverse fixings and parts utilized for making different mixed drinks. Magnificent accumulation for any significant other of mixed drink.

Now I will make a Pina Colada and think about it. Cooking is next, now I need to eat. Caribbean cooking with fruit and with rum, humm.

I have always enjoyed a good cocktail which is why I was excited to download this book. Learned how to make a lot of my favorite drinks through this book!

Print was small, no photos in book of cocktails. Recipes were good.
