Customer Reviews

Maggie Chow or Chef Maggie Chow as she likes to be called. Is the author and creator of your favorite Easy Cookbooks and The Effortless Chef Series. Maggie is a lover all things related to food. Interestingly she is a vegetarian and prefers to avoid meat. So rest assured that her veggie based recipes will be delicious! But don't worry because she is master of cooking savory and delicious meat based meals as well. Maggie loves nothing more than finding new recipes, trying them out,

and then making them her own, by adding or removing ingredients, tweaking cooking times, and anything to make the recipe not only taste better, but be easier to cook. Check out Maggie's Facebook, Twitter, and her blog and be sure to like and subscribe!

I had never tried to cook Portuguese dishes, so my first was the Brazilian Chorizo Soup. It was delicious but it was more of a stew as there wasn't enough liquid. My husband preferred it as a stew and so did my friends who dropped in for a late night snack, as the leftovers were even better the next day. I had never added mango to a soup before. What a revelation! Will try another recipe soon.

Too simplistic, using prepared foods rather than from scratch. Totally Americanized for the era of Mad Men until today.
