## Customer Reviews

Perfect book for my 7 year old daughter who loves both Minecraft and cats! She is in advanced reading, yet doesn't enjoy reading because chapter books "are boring" (her words). She had no problems being bored with this book! The story is easy to read, and the "chapters" are broken into "days" (because of the diary format). Each "day" is only a page or two, so my chapter-book hating daughter wasn't overwhelmed by it. I read it along with her, it's a cute story. She really enjoyed it. I'd say the perfect age range for this book would be age 6-8. Any older and it may be "too quick" of a

read, the book is quite short.

My nephew loves kittens and loves Minecraft so this book was a no brainer for him. The fact that it is actually a great book from one of the few quality Minecraft Diary authors out there really sealed the deal for me to shell out the money for him though. I know there are a lot of books out there in this category so when you find an author you can trust to release an actual book with a great story-line instead of just a few pages or doing something to make it show more pages than what the book actually is, you know that when they release something it is going to be worth the money.

I am the parent of a gifted child. Yet she hates reading. But she loves Minecraft and it eight years old this held her attention and she finished it in one day I can't recommend these books enough to kids who enjoy Minecraft but don't like reading it was a miracle!!

It was creative, and features an ocelot kitten looking for a creeper. It was funny and there were amazing adventures

Great book

Cute book about a minecraft ocelot. My 12 year old daughter loved it.

I like Minecraft. It is fun and cool. I have nothing more to say. Warrior Cats are awesome. Bla Bla

At first it's a bit boring but surprising a cat on a hunt for a creeper leads to a very good book!
