Product Dimensions: 6.5 x 1.5 x 9.5 inches

Shipping Weight: 1 pounds

Average Customer Review: 3.4 out of 5 stars 4 customer reviews

Best Sellers Rank: #2,480,242 in Books (See Top 100 in Books) #45 in Books > Travel > Europe > Bulgaria #470 in Books > Travel > Europe > Netherlands > General #3555 in Books > Travel > Europe > General

## Customer Reviews

Michael Holman taught Russian and Bulgarian at the university level for over 30 years. Mira Kovatcheva is Senior Lecturer at Sofia University.

I barely learned a thing from this CD and book. And I have many Bulgarian friends who I listen to. This cd has you listen to dialog between 2 Bulgarians and guess what they are saying? Very confusing. I followed along with the book and CD once. Then later played it in my car on a 2 day driving trip. Neither me or my passengers got anything out of this CD. I got tired of listening to 2 Bulgarian conversations and then trying to guess what they were talking about. In a few area's in the tape they did have a phrase that was repeated in English and then you could memorize it, but more of that is needed so when you did hear the conversations, you might understand what they were saying.

This is an excellent book that starts out with the basics and moves into more complex language

skills. Each chapter logically builds on the next. You can use it without the CDs, but I recommend getting the CD/Book combo to listen and practice the pronunciation. Starts out with learning the alphabet (just 30/31 characters), then to basic sentences and more complex phrases. This book is very good for those who want to learn Bulgarian, but understand the grammar and reason why sentences are constructed the way they are. Not just brute memorization.

Teach Yourself Books & Audio provide an excellent source for learning a language. This particular author for Bulgarian provides clear and concise grammar, vocabulary, verb conjugation, and sentence structuring. The audio CDs are clear and audible to help learn this pretty language fast.

satisfied. OK . my parents need it, low price. Beyond what I expected! The price made it that much better... The seller was great he reached out to me asking how I liked the item and I felt he was genuinely caring what my opinion . Great product
