The Manual To Manhood: How To Cook The Perfect Steak, Change A Tire, Impress A Girl & 97 Other Skills You Need To Survive

Synopsis

There's a lot a young man in the making needs to succeed as he grows up and prepares to make his way in the world. Many important skills and character traits he should acquire he might not be quick to ask how to do because, well then, people would know he doesn't know what he is doing, just yet. For all the guys out there who want to have it all together, Jonathan Catherman offers this collection of one hundred step-by-step instructions on almost everything a guy needs to know, including how to; wear cologne correctly • grill a steak • tie a tie • manage money • talk to a girl • plan a date • write a résumé • ask for a reference • clean a bathroom • throw darts • change a tire • behave during a traffic stop • fold a shirt • clear a sink drain • find a stud in a wall. In fact, if it's in here, it's an important skill or character trait practiced by capable and confident men. With great illustrations and supporting social media, this all-in-one reference tool is the perfect gift for any guy's birthday, graduation, or just because you care that he becomes the best of men.

Customer Reviews

"Consider this your survival guide on the sometimes rocky road to becoming a man. You're going to love this book" - Dr. Les Parrott, author of *The Parent You want to Be* "The Manual To Manhood" is an engaging, fun, and insightful how-to guide for guys on how to become a man. For those who to build self-confidence, become independent, and fulfill your full potential, this book is for you." - Sean Covey, author of the international bestseller *The 7 Habits of Highly Effective Teens* "Every guy needs to know how to do everything in *The Manual To Manhood*. Jonathan is offering 'young men in the making' truth about common sense, real-world ways to gain respect and

avoid embarrassment on the road to manhood. Every young man should read this book!" - Rick Johnson, bestselling author of *Better Dads, Stronger Sons* *A Man in The Making: Strategies to Help Your Son Succeed in Life* "The Manual To Manhood is the perfect book for parents, teachers, coaches, and mentors looking to help boys learn valuable lessons, develop strengths, and discover their unique identity on the journey to manhood." - Matthew Ohlson, PhD, College of Education, University of Florida, education and school improvement consultant, and proud father of three sons

How to gain respect, avoid embarrassment, and impress everyone! As a man in the making, you'll need to know how to do stuff. You also need a strong moral character to back up your new abilities. But who do you ask? If you want to have it all together, *The Manual to Manhood* is your go-to resource. With great illustrations and step-by-step instructions for almost everything a guy needs to know, this book shows you how to: wear cologne correctly, tie a tie, grill a steak, manage a credit card, plan a date, interview for a job, ask for a reference, clean a bathroom, change a tire, talk to a girl, fold a shirt, clear a sink drain, behave during a traffic stop, throw a football, find a stud in a wall, and tons more. The world needs confident and capable young men. With *The Manual to Manhood*, you'll be well on your way to becoming one of the best. Jonathan Catherman is a leading education consultant and trainer specializing in the character and leadership development of youth. He speaks worldwide about the principles and strengths that empower greatness in children, teens, and young adults. As both a parent and a professional, Jonathan is committed to assisting young men in the making to experience success and significance as they mature into manhood and lifelong leadership. Jonathan, his wife, and their boys live in North Carolina. Learn more at www.jonathancatherman.com.

I bought this for my 13 year old son for Christmas. He loves it!! I am a single parent and my son's father is not in the picture. This book is great for my son to be able to read about things he is always asking me about. Some of the things in the book he won't need to learn about until he is older, but that is great because I feel like the book will grow with him. This is a great book for single moms and their sons.

I bought this for my son's 19th birthday he liked the book he couldn't put it down there were so many new things for him to read about I found it quite funny gave him some ideas for cooking some funny things in fact some things to read about the car and some things about girls great little book to have around for guys I recommend it

i bought this book for my younger brother kind of as a welcome to manhood gift. i read through it before i gave ti to him and it actually has quite a bit of good knowledge inside. its not really written in a way that someone would read the entire book and i doubt if he gets a flat tire he will find his manhood book to learn how to change it but still it is a fitting gift and im happy with the purchase .

I gave this to my grandson for his 18th birthday. He enjoyed it, and so did his buddies. They took turns, reading various sections to each other that they thought were interesting or that applied to some of the other boys. They read it like they were preaching to each other. Never can tell what will be a hit with the kids, but this one turned out to be a big hit and added to the fun memories of his birthday party.

Where has this book been?!?!?! It's fantastic and full of just the coolest things for the growing young man in your life. As a mom, I'd LOVE to see a version for little girls too. This is a tool and book that should be in every household!

I purchased this for new son who recently moved out on his own. So, while I have not read it myself, I did thumb through it and found a LOT of useful tips that some young men might not have learned but should know.

I purchased this book as a birthday gift for my brother who had just turned 18. Not only was I impressed by the style of the book, but it is a very resourceful manual to help a newly found adult make their way into the world without the fear of the unknown!My Husband and I actually read through the book prior tot wrapping it and I must say, if I ever am blessed with children (a boy) or have a close friend or relative, I will certainly be purchasing this in the future!

Gift for grandson at graduation. Looked like it contained quite a few tips that might seem to be common knowledge but are not always taught to young men these days. As he heads off to college and living on his own for the first time I hope it will give him a few pointers so he won't have to rely on "advice" from some of his peers who know even less than he does. One can hope.
