Prime Time (Make Me A Star Book 1)

Synopsis

The first book in Susan Beth Pfeffer's *They Made Me a Star* series introduces six teenagers, each waiting for that first big break. Open call! Now casting for brand-new prime time series. No experience necessary.

- Tenth grader Miranda Newgate is visiting Los Angeles on spring break when her cousin hears about a casting call for extras on a new TV series. Miranda goes to the audition, but ends up reading for a bigger part. Then it's back to Massachusetts, to term papers and biology projects while waiting for the call that could change her life.
- Stage star Molly Malley is a serious actress. But she could sure use the exposure from a network show that will be seen from coast to coast.
- Alison Blake is Miss Young America, but that doesn't give her a free pass. She has to work harder than anyone else to prove she isn't just another pretty face.
- Former child star T. J. Tyler is ready for his comeback. He needs the leading role to show the world he wasn't washed up at eleven.
- Rafe Marquez has no acting experience. But he's hot and hunky and goes after what he wants—and he wants to make it big.
- Bill Douglas has been on so many TV shows, this one should be a breeze. But in this business, you never know.

Who will make the final cut and rise to stardom on *Hard Time High*?
