Customer Reviews

I bought this Copenhagen in 3 Days travel guide before a 3-day stay in Copenhagen. It was a pretty good introduction to Copenhagen, but is very high level. I did find the downloadable Google maps useful to help find my way & distance from my hotel to the various locations listed for each day. The itineraries were well organized so you don't have to do much backtracking to go from one stop to the next. It would be pretty intense to cover the full itinerary listed for each day, so I selected what interested me and my husband.

Very helpful for a short trip-
