Indonesian New Guinea Adventure Guide: WEST PAPUA / IRIAN JAYA (Periplus Adventure Guides)

Synopsis

Journey to the Stone AgeIn one of the last untamed places on Earth, Indonesian New Guinea's snowcapped peaks tower above steaming rainforests and huge crocodiles stalk in thick mangroves ringing the island. Whether you lounge on the white beaches of Biak, or trek around Wamena, Indonesian New Guinea offers the adventure of a lifetime. The ultimate adventure guide This is the most complete guide to Indonesian New Guinea ever produced. Hundreds of pages of travel tips and dozens of lively articles cover every aspect of the island's history and geography, taking you to lots of rarely-visited places. The nitty-gritty, from A to Z Detailed maps of every town and region of Indonesian New Guinea are included, along with personal recommendations from our expert authors on how to get around, where to stay and eat, and how to get the best value for money.

Customer Reviews

Being the only guidebook to West Papua/Irian Jaya alone is a major merit of it. It also has well-researched background information and decent practical details on the major tourist attractions of this area. However, ONLY the major tourist attractions (Jayapura/Baliem/Biak/Manokwari/Asmat)

are covered in any detail, and even many of those descriptions are simply accounts of the author's own travels there, which seem to have taken place many, many years ago. There is no description of plenty of other, relatively accessible and increasingly popular parts of Papua, some of which are actually covered in the Rough Guide to Indonesia. But with coverage of this region in general guidebooks to Indonesia invariably limited in length, this book is certainly still worth buying by anyone who wants to spend more than just a week there.

Having Just returned from Western Papua I can say this is a really good guide. It was well researched, informative and definitely added to my enjoyment. A few of the points/suggestions seemed a bit out of date but aside from that I heartily recommend this book as a smart, sober, interesting guide. A must buy for anyone travelling to the Asmat.
