A Worthy Heart (Courage To Dream Book #2)

Synopsis

Can an Irish Lass with a Dream for America Find True Love? Maggie Montgomery's long-held wish to see America is finally coming true. She'll visit her beloved brother Rylan and his wife, Colleen, and at the same time, escape Neill Fitzgerald's unwanted attention. In addition, Maggie has a secret! She plans to remain in America to seek her fortune and to hopefully find love. While visiting Irish Meadows, she meets an intriguing man whom she thinks is a stable hand. Only when Rylan demands she stay away from Adam O'Leary does she realize he's Colleen's brother, recently released from prison. Nonetheless, Maggie can't seem to make her heart conform to her brother's request. Adam O'Leary has never felt worthy of his place in the family. Spending time in jail only reinforces his belief. Now that he's free, Adam hopes to make amends and earn back his family's trust. Falling in love with Maggie Montgomery, however, was never in his plans. Despite everyone's effort to keep them apart, the two develop a bond nothing can break--but has Adam truly changed, or will the sins of his past prove too much for Maggie to overcome?

"God grant me the wisdom to accept the past and the courage to face the future with a clean heart." Adam O'Leary is leaving his sordid past behind; walking out of prison and starting over, he is riddled with doubts about whether or not he can rebuild relationships with family members, in particular his father. On his way home, Adam pauses to perhaps catch a glimpse of his sister Colleen, outside the orphanage where her husband is the director, and instead spies a lovely young woman playing with some of the children; a woman that would catch the notice of any man, but should remain off limits to one who could ruin her reputation simply by association. Maggie Montgomery and her brother Gabe have recently arrived from Ireland to spend the summer in New York, escaping Ireland's rumors of civil war and Maggie's disenfranchised former fiancé. Staying with their brother Rylan and his wife Colleen, Maggie and Adam happen to meet at a family celebration, sparking an attraction that no one dares to encourage and that her brothers vehemently forbid. When it becomes apparent that Maggie's compassionate heart and fierce determination refuses to let her give up on Adam, the two begin to wonder if their dreams might come true, albeit there are many obstacles to overcome, and Adam has garnered a dangerous enemy in the process. Enjoy this trip back to "Irish Meadows" with re-introductions to previous characters and pleasant associations with new ones, celebrating the strength of God's forgiveness and the joy of unconditional love. 1 like

I thought book 1 was amazing but this 2nd book in this series was beyond amazing and had me fall in love.. She did a fantastic job with the plots and seeing the characters grow through tribulations.

Wow! I really enjoyed the first book of this series, Irish Meadows. I absolutely loved this 2nd book. The setting, time period, and characters are amazing.

Enjoyed the book.

thx

Loved the first book in this series, the older sister became my favorite as she changed and her true character developed. I loved this book as well, it kept me on edge with its twists and turns that I didn't see coming. I have already preordered the next book in this series. I can't wait to see what happens next with the O'Leary's.

Read Courage to Dream books 1 and 2. Love them both, but I prefer A Worthy Heart. Story of faith and how life situations can put the to the test.

Very good book.
