Tunisian Arabic In 24 Lessons: Learn Arabic As Spoken In Tunisia (Explore Tunisian Culture Through Its Language Book 1)

Synopsis

This is a funny and practical handbook to learn Tunisian Arabic easily the spoken vernacular language in Tunisia, North Africa. This book is intended to help visitors to Tunisia enjoy Tunisian culture more authentically by familiarizing with one facet of its identity: its spoken language! It is also helpful to people who wish to communicate in Tunisian Arabic with Tunisians worldwide, but also with speakers of Arabic dialects in general (like Egyptians). Finally and simply, this is a funny and instructive book for readers who love foreign languages and who are always keen to learn new foreign languages! After reading this book, say within two hours, you will be able to really speak and genuinely communicate in Tunisian Arabic!

Customer Reviews

I hoped this book would help me in translating some Tunisian Arabic text. While it showed promise the book seemed incomplete. For instance, there is a list of consonants and vowels, but this list is not comprehensive. It gives many of the Arabic letters and relates them to Roman characters for English speakers to easily understand, but not all the letters. The Roman character "7" is used in many words, but it was not listed anywhere for you to know what it stands for or sounds like. The book feels cheap too, low quality printing. It is over-priced at \$10, I would say it is worth \$5 if you

have some experience with Arabic. I asked to return it and gave me a refund without having to ship the book back. As always, their customer service lacks nothing.

This book is very good. Although only very basic Tunisian speak for a traveller not very good for full communication. Insha'Allah there will be another addition to this collection that has much more sentences for full communication.

Too hard to learn without hearing the pronunciation.

As a beginning learner to Tunisian Arabic, I am finding this book to be both helpful and insightful. I am looking forward to learning more through this book and progressing in this beautiful language.
