Customer Reviews

D. Stanley Eitzen (Ph.D., University of Kansas, 1968) is professor emeritus in sociology from Colorado State University. He is author or co-author of seventeen books, many of which are in multiple editions. His books that fit with this book are: SOCIAL PROBLEMS, Eighth Edition, (Allyn and Bacon, 2000); SOLUTIONS TO SOCIAL PROBLEMS: LESSONS FROM OTHER SOCIETIES, Second Edition., (Allyn and Bacon, 2001); PATHS TO HOMELESSNESS: EXTREME POVERTY AND THE URBAN HOUSING CRISIS (Westview, 1994); and THE RESHAPING OF AMERICA (Prentice-Hall, 1989). His major research interests are social problems, social inequality (race/class/gender/sexuality), families, power, and sport. Maxine Baca Zinn (University of Oregon, 1978) is Professor of Sociology at Michigan State University. Her books include: WOMEN OF COLOR IN U.S. SOCIETY (Temple University Press, 1984), GENDER THROUGH THE PRISM OF DIFFERENCE (Oxford University Press, 2005), SOCIAL PROBLEMS, Tenth Edition (Allyn and Bacon, 2005), and DIVERSITY IN FAMILIES, Seventh Edition (Allyn and Bacon, 2005).

This highly readable book is useful both for the general reader who wants to know what

globalization is about and for the professor who wants a book that students will understand and enjoy. I teach a course on globalization and searched long and hard for the right book to accompany the course. I have been totally satisfied with this one. The articles are clear, informative, and balanced. There is a variety of viewpoints, ranging from the pro-globalization Thomas Friedman to critics, such as Jeremy Brecher. The breadth of topics is excellent. A few examples include agricultural issues, environment, immigration, cybercrime, terrorism, slavery, gender, racism, and global movements.

I learned much about globalization

Needed this for a class and it was cheaper than the rest and in great condition.

I needed this for a class and it came in a timely manner. It's used but looks great and was a great renting price for a student!

Bought for school, it was what was needed.

Came as described and was in great shape

The book gives an interesting set of articles that give you a general idea of different thinkers regarding globalization and its different perspectives.

Great copy
