The updated edition of this popular North Carolina prelicensing textbook combines solid industry fundamentals with the latest state-specific information to prepare students for the North Carolina licensing exam. The text includes expanded coverage of agency relationships, as well as new topics such as: the Mineral, Oil, and Gas Rights Disclosure; Truth in Lending-Real Estate Settlement Procedures Act Integrated Disclosure (TRID) Rules; the role of the Consumer Financial Protection Bureau; and more.

An earlier edition of this reference book was the text used by my pre-licensing instructor. Now that I'm licensed, I still keep an updated version on my reference bookshelf. It is simply a must have resource for any agent who dares to practice real estate in today's ever-more complex regulatory environment. I buy an updated copy at least every three year. In a profession which even the National Association of REALTORS® says is hobbled by incompetence and unethical behavior, "Modern Real Estate Practice" is a guiding light.

Superior School of Real Estate in NC is known for their great pass rate and so I ordered the book because they require that you read the first three chapters before you start the class. They prefer an earlier edition to the same book I am using but I have been told that the newest just has more info to help you study. I plan to start the class in May. I am very nervous and don't know what to expect. So, anyway I started reading and I am on Chapter 2 which seems forever long. I wish that particular chapter had been broken up but other than that I like the book so far and it came quickly with no problem.

This product is required reading for the North Carolina Real Estate Examination. The Book was written by several highly respected real estate brokers- however, the book does not necessarily connect with someone who is transitioning from one career to another. The book is not laid out in which it makes sense. The Basics are advanced, and the advanced is not detailed enough. If you purchase this out of necessity, please ensure that you grab the accompanying CD or the Practice text & Exam Questions. This will help you get your mind into the real estate land.

INFO IS ON POINT TO THE TEXTS BOOKS THEY GIVE YOU ARE SCHOOLS.

purchased a "like new" copy and saved on the new price.

Just wonderful. I received what I was expecting and what it was told. Prompt service. I will recommend to a friend. Please keep up with good service.

This book has a lot of information. It was not all necessary to pass the exam but is knowledge that all real estate professionals should know. I'm sure I will continue to refer to it for years to come. I recommend purchasing this.

Great. Awesome price too.
