The Resolution For Men

Synopsis

From the New York Times bestselling authors of *The Love Dare* comes a strong resolution of faith, family, and fatherhood that sets men on a course toward long-term success — the kind that breaks the chains of your past, earns the loving trust of your wife, wins the hearts of your children, and prepares a legacy beyond what your father could leave for you. With a clear resolution, you'll be able to see exactly where you're going. Straight ahead into a life marked by renewed faithfulness.

Customer Reviews

While most men will die with deep regrets, others will resolve to live for what matters most. From the New York Times best-selling authors of *The Love Dare* comes a strong resolution of faith, family, and fatherhood that sets men on a course toward long-term success — the kind that breaks the chains of your past, earns the loving trust of your wife, wins the hearts of your children, and prepares a legacy beyond what your father could leave for you. With a clear resolution, you'll be able to see exactly where you're going. Straight ahead into a life marked by renewed faithfulness. --This text refers to an out of print or unavailable edition of this title.

Stephen Kendrick is senior associate pastor of preaching and prayer at Sherwood Baptist Church in Albany, Georgia. He is also a screenwriter (*Facing the Giants*, *Fireproof*, *Courageous*) and movie producer and co-wrote the New York Times bestsellers *The Love Dare* and *The Resolution for Men* with his brother, Alex. Stephen and his wife, Jill, have four children. Alex Kendrick is associate pastor

of movie outreach for Sherwood Baptist Church. He is also an actor, writer, and director whose film credits include Facing the Giants, Fireproof, and Courageous. He and his wife, Christina, have six children.

Being raised by a single mom, I never really experienced what a honorable man looked like first hand, so in my adult age I never really gave it a lot of thought, but assumed that I was honorable. This book really showed me what God required of me as a son, a man, a father, and a husband. This book has the ability to start a fire towards true manhood if you allow it to. That's what it did for me. I love this book for that reason alone. A lot of things don't move me, but The Resolution for Men surely did.

This book has been great. I watched the movie "Courageous" first the same time as a good buddy of mine. We then began to read this book together. We live in different states, so we read a chapter every week and have a lunch-time conference call every Monday to discuss it. I don't think this book would be as valuable if I didn't have that accountability and discussion. So if you're looking to buy this book, I highly recommend buying at least two and giving one to a good friend to share the journey with. I also highly recommend watching the movie first.

This book single-handedly turned the life of several friends and myself around. God used the authors of this book to put His will in a way that speaks to men's hearts. My relationship with God has strengthened because of it. I definitely recommend reading it and talking with other guys about it. One of the guys in our Bible study was on the brink of divorce and through this book and the fellowship of the group his marriage is repaired and stronger than it ever was. God has used this book to turn lukewarm men into warriors for God! I LOVE IT!!!

This book is fantastic. This book is a must read for all men. What is wrong with this world today is a lack of leadership from men and fathers. This book points out our failings and encourages men to be men again and lead their families.

I have been having trouble with my 9-year relationship. Things got difficult between us after the birth of our son. I am only 30 pages through this book so far and it has already given me a whole new outlook on the role of a male in a relationship. I would recommend this to anyone who is having similar issues, or even for anyone who feels they have a great relationship. This book will give every

male a new and improved set of standards to guide them in their life to becoming a more supportive father and husband.

When does a boy become a man? When they turn 18? Get a driver's license? Drinks their first beer? Or is it about their sexual conquests, financial prowess, or personal achievements? Culture gives us various definitions of manhood, usually centered around one of the above. Kendrick tosses cultural expectations and defines what it means to be a man according to biblical values. He passionately lays out what a strong, moral, integrous, and most of all faithful man of God looks and behaves like. The Resolution is a call for men to examine themselves, to see if they have truly mastered the basics of manhood. Are you man enough to look hard at your marriage, your faith, and your parenting in the mirror? It was a great read that was heavy on vision and light on practicality. I would have loved to see more real-life stories of men who put these values into practice, but overall this book stands as a stirring account of manhood that I want to share with the men in my life.

This is a well written, challenging book for any dad and husband who wants to navigate his family according to the wisdom of the Bible. Interestingly, we chose to use it as the basis for a father/son mentoring group for our teenage sons and it's working great! We kicked off the group by all going to *Courageous* together and then talking about the key messages afterwards. Each week since then the dad and son read a chapter and meet one-on-one, quizzing each other on the memory verse and then talking about the content of the chapter. Every other week the entire group of dads and sons get together to discuss it and have accountability. We call the group *The Ironmen* after the "iron sharpens iron" and between the movie, this book, and dads who want to pour into their sons, it's going great. I highly recommend this book for every dad and husband, and for those who are looking for a catalyst for pouring into their teenage son.

Good condition and arrived within estimated delivery. This book is a must for every man out there! I highly respect Stephen Kendrick (co-writer of the movie "*Courageous*") and am thankful for a book like this, specifically written for men who either are walking with God and want to pursue greater heights in their roles as husband, dad, Christian...or for men who are interested in growing in these relationships and seeking to do God's will in each aspect of life, though may be unsure how to go about this. It is a good book for new believers, people who are not yet saved, and men in general! May God prosper books like this and use them to grow many men into the godly individuals the Lord calls them to be. And may many men realize what is at stake when they are not living according to

the truth of God's word and how their bad choices, i.e. neglect in their relationship with the Lord or being lukewarm about Christianity as if it merits only a half hearted commitment, will not only affect they themselves, yet those around them and their quality of life and relationships as well. Philippians 1: 21
