Vivaldi: The Four Seasons (Book & 4-CD Set)

Synopsis

At times powerful and overwhelming, at times soothing and quiet, Vivaldi's violin concertos from The Four Seasons are some of classical music's best-loved works. This wonderful, treasured musical composition is the theme of this thoughtfully arranged nature photography coffee table book and CD collection, depicting Europe's unbelievably beautiful seasons. In addition to Vivaldi's The Four Seasons, the 4 CDs include musical characterizations of spring, summer, fall and winter - each unique, depending on the era and genre, as interpreted by Sibelius, Beethoven, Debussy, and many others. A wonderful classical music and nature photography tribute to the most famous of Vivaldi's works.

Book Information

Hardcover: 112 pages
