# Eleanor (Picture Puffin Books)

## Synopsis

Though she came from a wealthy and privileged family, Eleanor Roosevelt grew up in a cheerless household that left her lonely and shy. Years passed before Eleanor began to discover in herself the qualities of intelligence, compassion, and strength that made her a remarkable woman. In *Eleanor*, two-time Caldecott Medal winner Barbara Cooney paints a meticulously researched, lushly detailed picture of Eleanor's childhood world--but most importantly, she captures the essence of the little girl whose indomitable spirit would make her one of the greatest and most beloved first ladies of all time. "There are many biographies of Eleanor Roosevelt, but this one is special?Cooney is at her artistic best." --Booklist

## Book Information

Lexile Measure: AD810L (What's this?)

Series: Picture Puffin Books

Paperback: 40 pages

Age Range: 5 - 8 years

Grade Level: Kindergarten - 3

## Customer Reviews

Award-winning author Cooney presents a well-researched and poignant storybook biography of Eleanor Roosevelt's childhood. The wartime First Lady of the New Deal, who became one of the most beloved Americans for her empathy with the downtrodden, was famously unglamorous and plain in looks, even as a child. Her beautiful and awful mother humiliated the little girl, calling her Granny, "because she is so funny and old-fashioned looking." Orphaned at nine the girl eventually

found her way to confidence, helped initially by a boarding-school headmistress. The book mentions only briefly Roosevelt's later achievements, so a parent will have to supply a little context for this tale of an ugly duckling who turns into, not a swan, but a fulfilled and happy duck. --This text refers to an out of print or unavailable edition of this title.

The privileged though painful childhood of First Lady and humanitarian Eleanor Roosevelt (1884-1962) is chronicled with tenderness and care in Caldecott Medalist Cooney's (Emily; The Ox-Cart Man) memorable picture book biography. Skillfully compressing a bounty of detail, the author/artist focuses on Eleanor's emotional life as a childhood "ugly duckling": "From the beginning the baby was a disappointment to her mother," Cooney begins. The tale ends with Eleanor's years at Allenswood, the English boarding school whose gifted headmistress helped transform Eleanor into a confident young woman. Cooney wisely refrains from specifically naming the Roosevelt family, allowing children to experience the text as an entertaining story as well as a piece of history. Creamy, reverently rendered paintings portray fashionable Manhattan, Hudson River Valley and Long Island settings; Cooney's intricate reproductions of houses and her recreations of period clothing and interiors are pleasures to behold as well as visual history lessons. An afterword sheds light on Eleanor Roosevelt's career (but would have benefited from the inclusion of her birth, marriage and death dates); most readers will probably want to explore more fully the groundbreaking achievements outlined here. Ages 5-up. Copyright 1996 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

This is my childhood book. My favorite book ever! And yes, I'm 20, in college and I decided to buy this book as my inspiration because life is so hard. I look up to Eleanor Roosevelt because she was so strong. Through everything she endured, she kept going through her life and helped so many others in the process. This book is beautiful and will remind your child that no matter what others may see in them or how they treat them, they're still someone great, even when the odds are stacked against them.

What a nicely illustrated and written children's book about Eleanor's childhood and young adulthood. Entrancing for young and old alike. Children will be able to imagine a time gone by, and their imaginations will be stirred about this wondrous woman. I bought the book for my elderly mother, as Eleanor Roosevelt is one of her top heroes. She loved it.

Bought this book for a friend who is naming her daughter Eleanor after Eleanor Roosevelt! She loved it :)

My 7-year-old and I love reading this book together. I wouldn't suggest it for a child much younger than that. It's a little depressing at first but delivers a wonderful moral.

Beautifully simple story about Eleanor Roosevelt's childhood. I love the illustrations.

this was a gift - the person I gave it to is extremely pleased -

Another good read for granddaughter.

this is a lovely informative book for both young and old.
