Synopsis

OTTAWA, CANADA'S CAPITAL - THE PERFECT WALKING TOUR - Compact Ottawa is perfect for a walking tour - a stunning skyline, majestic buildings, a bustling market district... all the excitement and sparkle of city life! Ottawa is often overshadowed by its larger neighbors, but the country's capital has much for visitors to enjoy and warrants more than a fleeting glance. Explore the origins of the city, the superlative museums commemorating Canada's past, and enjoy a riverside skyline so utterly photogenic you'll need a spare memory card to do it justice. Never far away is the iconic Peace Tower, part of the parliament buildings that serve as Ottawa's enchanting centerpiece. No need for five-hour strolls or subway rides; compact Ottawa is perfect for a walking tour and boasts all the excitement and sparkle of city life! AUTHOR - Lucy Corne is an avid traveler and writer whose work has been published in various high-profile websites, magazines, and newspapers, including the Toronto Star. She has written three first edition guidebooks and has a passion for places that other writers ignore. Lucy has lived in Ottawa since 2008 and can't wait to share her love of Canada's often under-appreciated capital.
