# The Last Arrow: Save Nothing For The Next Life

## Synopsis

Before You Die, Live the Life You Were Born To Live. When you come to the end of your days, you will not measure your life based on success and failures. All of those will eventually blur together into a single memory called "life." What will give you solace is a life with nothing left undone. One that's been lived with relentless ambition, a heart on fire, and with no regrets. On the other hand, what will haunt you until your final breath is who you could have been but never became and what you could have done but never did. The Last Arrow is your roadmap to a life that defies odds and alters destinies. Discover the attributes of those who break the gravitational pull of mediocrity as cultural pioneer and thought leader Erwin McManus examines the characteristics of individuals who risked everything for a life they could only imagine. Imagine living the life you were convinced was only a dream. We all begin this life with a quiver full of arrows. Now the choice is yours. Will you cling to your arrows or risk them all, opting to live until you have nothing left to give? Time is short. Pick up The Last Arrow and begin the greatest quest of your life.

"One of the best books I've ever read. The Last Arrow will inspire you to make the most of the life you've been given and create the life you've always wanted." —Jon Gordon, author of The Carpenter and Training Camp, JonGordon.com "The Last Arrow throws wide the window to what God always intended for you—a life of nothing wasted and nothing held back. Each page reveals another mindset that undermines destiny. In Erwin's words, "When you choose to live, you become a source of life." It is time to stop burying talents and hoarding arrows. It is not too late to dust

off your bow, take aim and shoot with all that is within you. — Lisa Bevere, New York Times Bestselling Author, Cofounder Messenger International — “I have never interacted with Erwin where he did not move me and capture my heart. His call in this book is one more example. He wakes us up where we need it, and pushes us past lack of clarity and through the unavoidable fear of truly spending our lives well. Thanks once again, my friend! — Dr. Henry Cloud, Psychologist and Author — “Erwin McManus is a passionate, courageous, and genuine man, and I am thankful to have the rare privilege to encounter him. In his latest book he writes as he has lived. The Last Arrow is a peek into the very threads of Erwin’s journey; threads that has been woven into the fabric of his very life and story. For me. And for you. And for all of us who endeavor to leave more behind than we have taken from this life. The pages of this book will poke you. In fact, they will prod you to live with eternal intention and fight beyond the tyranny of the mundane that we can all become so captive to. Truth and vulnerability make this message catching, compelling, and encouragingly dangerous. You can’t read this book and stay the same. — Judah Smith, Lead Pastor of The City Church NY Times best-selling author of Jesus Is \_\_\_\_\_.
