How To Make Herbal Perfumes: The Complete Crafting Guide

Synopsis

This is the ultimate resource guide for those who want to learn to make perfumes. Almost all perfumes were originally developed from herbs although most have been replaced today by chemical based substitutes. Why not make your own luscious and nature fragrance? Or start a business selling homemade herbal perfumes? There are many ways you can use this book. I started out making perfumes and giving them as gifts. Use your imagination and have fun learning!
