this is another good story in the series. i was given a copy of the book, but i am giving an honest review. i have read many of the books if you like mail order bride stories you will enjoy reading this one and while it can be read by itself, you do get to meet others in the town.

A lovely story about a young lady who had lost her husband and was afraid she would lose her to his parents. A young man who tried to help the girl only to fall in love with her. A must read Historical Western Romance Book from at a special price and from a special author who keeps me wondering what next for the characters.

I enjoyed this story of the adventures of a woman who found herself in a very trying situation. The author did a great job of telling of her battle through it all.
