The Secret Pledge (Hank The Cowdog (Audio))

Synopsis

Of all the mysteries Hank has faced in his illustrious career as the Head of Ranch Security, the only one that still has him truly stumped is the key to unlocking Miss Beulah's heart. Why on earth would she go for a bird-brained bird dog when a specimen like Hank stands ready to sweep her off her feet? Could there be more to this problem than meets the eye? When Plato wanders off Billy's ranch and Beulah discovers he's lost, she tries to enlist Hank's help to rescue him, and this presents Hank with a real moral dilemma: Will he help find his rival, or will he leave Plato to face the dangers of coyote country by nightfall alone?

I am a real big Hank Fan (actually, more so of Drover, but that is beside the point) and when I read the description, I kind of sighed. "Oh brother... another Plato gets lost and Hank has to go find him for Beulah's sake. Ho hum." I bought the book (because even if I had been right I still would just HAVE to read it) and was pleasantly surprised to find that he throws in a couple of different devices that he hadn't used before and were quite funny. I tip my hat to Mr. Erickson. At book 68 he still is telling stories that we want to hear, and that we enjoy hearing.

Don't miss the Hank the Cowdog series! Great for reading to your kids as they climb into bed at

night, or anytime you can get them sit still for a half-hour. You don't have to be from Texas to enjoy this highly entertaining author and his hilarious stories about the "Head of Ranch Security", Hank the Cowdog. You don't even have to be from the country! I sent some of these to my friends' kids in the northern states, also, and they were begging for more! Intended for children and young adults, but great for the young-at-heart also! You can't help but laugh out loud at the antics! My kids are long grown, but I'm still keeping up with Hank.

Ha-ha, happy to finally knowing Hank try to unlock the key to winning Miss Beulah the Collie's heart... I loved this book! Nice to see some of my favorite dog characters!

Big fan of Hank!!!

The author's reading of Hank is just too good. He brings all the characters to life in such a homespun way, just like Grandpa reading to the kids.

We love Hank the Cowdog! Still laughing and we've read them all. In this book Slim and Loper are still picking on that poor misunderstood hound.

Beulah is back in the picture, and it's about time. Hank naturally tries to impress her- AND DOES. Get this book, it's worth your money!

I have read all of the Hank the Cowdog series.
