When Dusk Falls

Synopsis

Nineteen-year-old Dane Chandler rode away from his father's grave with one intention – to kill the man who had murdered him over a maverick yearling. As he left behind his home, his place on the Branson Ranch and, most importantly, the girl he had planned to marry, his father's best friend left him with a prophecy and a light, “The time will come when you will see the error of this decision. You will be lost in an endless night, but dusk comes before the night, Dane remember that. Before the night, when dusk falls, remember the way home.” The next two years found Dane living the life of a gunfighter, hired gun, and professional gambler. Then came the day in Denver when he found himself lost in that endless night and knew it was time to put up the gun and go home, yet it was not to be that easy. There was still one more fight and the final showdown with the man who had once been his partner and his best friend. Note: Formerly titled Trail Back to Eagle Rock, published by Malachite Quills Publishing. The revised novel is now published by Double Diamond Books under the title When Dusk Falls.

Customer Reviews

In 1800's Wyoming a dozen men stood in the pouring rain as the body of Ryan Chandler, foreman of Branson Cattle Company is put into the muddy ground. Chandler was a well respected man & his death over an unbranded heifer made this even more difficult to understand. Hot-head Jimmy Ford, from the neighboring McQueen ranch had killed him. Branson Manager Walt Selby is trying to calm the troubled waters but one man will not be calmed. Up to now Jimmy had escaped retribution for his misbehavior because no one had died. Ryan's nineteen-year-old son, Dane Chandler will kill Ford & nothing will stop him. Law in Wyoming at that time was almost nonexistent therefore it was left up to each man to formulate his own justice & it was usually dispensed at the end of a gun barrel or a hangman's noose. Selby's daughter Carol & Dane once had marriage in their future but when Dane kills Jimmy Ford that will put him on the run. This is an example of how lives can change in the blink of an eye with one decision a person makes...many lives will change with this decision. I highly recommend this book...it's cleanly written with characters you love to love & characters you love to hate.

I have been reading westerns for over sixty years and this is one of the best yet. I plan to read more of this author's books.

A great story written by one of the best authors ever.

I have read a few of Fisher's books and all are good western. This book held my interest until I finished it. Hard to put down.

this book keeps you glued to reading. It is how life should be lived. there is a fine line between right and wrong, good and evil, everyone wishes they were like Dane.

Not one of his best

I would like to recommend this book to anyone who wants to read a very interesting and exciting book where the action never stops. I am finding these books to be very difficult to put down. I will be looking forward to reading the next book from this author.

This was a good book, well written and thought out. The author did a good job of describing the characters and leaving a message.
