Regarding the personality of the author, we are not permitted to comment in great length. It matters but little who he is. His inspired writings, The Book of Nathan The Prophet and The Book of Gad The Seer are able to stand on their own merit and speak for themselves. Suffice it to say that he can be reached at [nathanicorder@gmail.com](mailto:nathanicorder@gmail.com) and he welcomes all questions, comments, or concerns pertaining to Your Bible.

Great book that combines a lot of useful Biblical information. Kathryn Sitterle

Not from scrolls! He calms to be Nathan reincarnated. Smh. I want my money back! Robbery!!!!

I only got about half way through the first book of Nathan before it became clear that this copy IS either NOT authentic or it was originally NOT inspired. DO NOT PURCHASE THIS.

It reveals lots of truth.

I read the book with an open minded. The first two books I'm curious if there is some true since they sound valid. What bothers me is the further I went into the book some things weird ed me out and I couldn't just go with on. Example: Of the soul of Nathan the prophet and the Soul of Solomon would be lock together in battle inside the body of the author Ti Burtzloff. Good Bruce Lee vs Bad Bruce Lee WTH man. There's more points in the book I can't help but question, I was with you on these money laundering churches and the false doctrine of Tammuz aka human sacrifice of the sins of the world Jesus, and the homosexuality agenda. I will commit I did like the portion for (entertainment sake) of the book of Nathan on other worlds and dinosaurs. It made me think of the David Ike's reptilian conspiracy. Other then that, I am open minded and undecided on the claims of this book of David been an effeminate homosexual and Solomon just lost his mind not only beat his harem of concubines but made them commit bestiality with horses and mules. Yes this was mention in this book. Solomon and David had skeletons in the closet. The issue there needs to be something to validate it. I will keep searching if another knowledge source or world knowledge source show itself. I made the decision to take this book back. I just couldn't agree with everything but I will keep the information in mind if there are other sources of truth on this outrages claims.

Worst possible scam do not buy

Full of lies!
