Windows 10 All-In-One For Dummies (For Dummies (Computers))

Synopsis

The most comprehensive guide to Windows 10, updated with the latest enhancements. If you're new to Windows 10 and want an authoritative and accessible guide to the basics of the widely used operating system, *Windows 10 All-in-One For Dummies* is the book for you. Written by trusted Windows expert Woody Leonhard, this freshly updated guide cuts through the jargon and covers everything you need to know, including navigating the start menu, personalizing your Windows experience, maximizing Windows apps, and managing security. *Windows 10 All-in-One For Dummies* includes all the guidance you need to make the most of this latest update of Windows. It shows you how to set up multiple user accounts, create a Homegroup for easy sharing between devices, backup your files, and troubleshoot common problems. Covers all the new features and latest enhancements to Windows 10. Makes upgrading to the latest version easier than ever. Lets you work with apps like a pro. Includes tons of tips on protecting your computer, data, privacy, and identity. Whether you use Windows 10 for business, fun and games, or staying in touch with family and friends, *Windows 10 All-in-One For Dummies* makes it easy.

Customer Reviews

New to Windows 10? No worries! Don't sweat it; we all started out as newbies. Inside, Windows expert Woody Leonhard cuts through the jargon and breaks down what you need to know to make the most of this popular operating system. From troubleshooting common problems to

setting up multiple user accounts, and everything in between, this all-access guide takes you from "what?" to "wow, I can do that!" — all with the click of a few buttons. Whether you want to use Windows for work or fun, this guide makes it easy. 10 Books Inside... Starting Windows 10 Personalizing Windows Working on the Desktop Using the Universal Apps Connecting with the Universal Apps Socializing with the Universal Apps Controlling Your System Maintaining Windows 10 Securing Windows 10 Enhancing Windows 10

Woody Leonhard's online presence runs from the Woody on Windows column for InfoWorld to his own (opinionated!) blog at AskWoody.com. He's won an unprecedented eight Computer Press Awards and two Jesse Neal awards. Woody's posts reach 5 million people a month, and more than 1 million have used his books to tame the beasts in Windows. Woody is a fiercely independent fighter for everyday Windows users.

Great book - maybe someday Win 10 will be out of the beta test stage!

Many answers in an easy to understand format.

I bought this for my husband. His PC has Windows 10. It's been very helpful for him.

Still reading the first chapter. I can run Windows 10 already but thought I might learn more. this is a handy reference to have.

Not for reading cover to cover, way too much material. Better for reference or reading specific sections.

Covers everything I need to know.

She refers to it when necessary

Great product,
