## Customer Reviews

I just loved my trip to Myanmar and the book of pictures meant more to me after the trip and brought back memories!

These photos are taken in a very personal way. I really liked the people - when part of the photo. Some of these pictures are not very clear which I is a little odd. If money is an issue, buying only a travel guide to Myanmar would be just fine. Several of these travel guides have also nice pictures in them of the sights and the people.

If you are interested in temples and Buddhist ways of life, this is the book to get for your coffee table. It is all shot in Burma, the land where I was born and raised.
