Customer Reviews

What a fun and interesting book, a must read for any traveler who values the journey and not only the destination. Even if you have driven from Reno to Denver before, reading this book will make you want to do it again. I bet, like me, you missed many of the fascinating places along the way that

Ms. Long included in the book. Hey Ms. Long, how about a trip down the Pacific Coast Highway? I would love to have a book to follow along :)

Wonderful book. Full of all kinds of information, history, local lore, flora and fauna, rock hunting, safety of the roads, laws on being on Indian Land and much more. Fun to read and learn about the road from Reno to Denver, vice versa or any short trip in between. A good read even if you never plan to take the trip.
