Customer Reviews

Too short.. Too brief. Six pages. It's more like a student paper. The basics and some personal reflection. That's it.

The "guide" is 6 pages long. It was written by somebody who means well but has never heard of punctuation and is not familiar with spelling or proper grammar. The kind of advice I got I can get any day on tripadvisor.

Short and sweet this serves as an essential guide to experiencing Bogota. This made it easier to travel to and enjoy that wonderful city and the culture there.
