Customer Reviews

My favorite type of paintings, posters and comics are of strong beautiful women that are sensual but not necessarily pornographic. The art of the calendar is absolutely amazing, very detailed, with an other-worldly creepiness/magic to some of them. Very impressed and pleased with the tone of the art and the calendar as a whole.

I have been buying these calendars for ten years there great and has the best prices for these calendars.I have been buying these calendars for ten years there great and has the best prices for these calendars.

I love the art of Luis Royo and I always allow myself the luxury of a calendar I will enjoy seeing every month of the year. This year while looking for my usual strange calendars that include The Crow and/or Bruce Lee, I ran across this one and fell in love with the art. I love the calendar itself because it has large, clear squares for each day I can write on and is the perfect size. The prints included on the calendar are just as beautiful as they appeared in the ad.

I love Luis royo artwork. His work is amazing and loved his artwork since I can remember. Love this calendar. Highly recommend

Love this. Been a fan of Luis Royo since many moons. His raunchy ones are the best, but this will do. The collection on this is very nice. I've seen others that I like better, like the Gorilla King with two hot sexy slave girl, the blond chick spreading her legs and the two topless gothic girls doing their thing, but hard to find it on calendars. If you are a fan, you will love this. The print is calendar quality. Can't go wrong.

I have several Luis Royo posters and I love his art. Now I get a different picture for twelve months. Score!

Its Royo for pity's sake. You either get it, or you don't. I do.

I have a new calendar every year and this is my favorite one to date.
