Used the cards in this game with 5 sets of Junior high school classes--were very popular. Good mix of topics.

We play this game at least once a week with our family. Great game, that really gets your brain juices flowing.

Hilarious game -- great to play with the in-laws who love puns.

We used the cards only and used this as a travel game

We had fun playing Trick Question. We modified there rules because we got tired of grabbing the "us"/"them" markers.

Has a lot of dying and death questions. Not a happy game for a party. Some questions are good.

There are not enough question cards. I cycled through the cards and started to get repeat questions after about 7 games.

Fun game but some questions/answers are either incorrect or just downright corny.
