The Mitten Handbook: Knitting Recipes To Make Your Own

Synopsis

For years, students have asked knitting instructor Mary Scott Huff for a book on their favorite topic—knitting mittens—but one that empowers them to create their own mittens their own way. This is that book. The Mitten Handbook is much more than an instruction book—it provides a list of mitten ingredients (thumbs, cuffs, tops, edgings, and different constructions), then outlines the best tools and techniques for readers to combine them to knit their own unique creations. The book is organized into three sections. The first presents mitten elements, with a menu of choices that makes getting custom results easy. The second section covers the key aspects of construction, including how to measure for the perfect fit, yarn and gauge considerations, and which direction to knit. And the final section provides 20 complete mitten patterns.

Book Information

Print Length: 144 pages

Publisher: Abrams (October 10, 2017)

Publication Date: October 10, 2017

Sold by: Digital Services LLC

Language: English

ASIN: B06XQ122KR

Text-to-Speech: Enabled

X-Ray: Not Enabled

Word Wise: Not Enabled

Lending: Not Enabled

Enhanced Typesetting: Not Enabled
