The Inheritance

Synopsis

When a wealthy man's business unexpectedly folds, his merciless creditors give him only a few days to pay. Kneeling down, he prays to God, asking for faith and strength. While praying, he overhears two wandering strangers, a little boy and his blind grandfather, lamenting their penniless situation. Moved with compassion, the man offers to share the little comforts he has left with them, and ends up richly blessed. Through this story, you'll learn the importance of putting others first, and that righteousness and piety are more valuable than silver and gold. Included in this volume are two other short stories: Clara, or, The Red and White Roses and The Forget-me-not. From the author of the beloved Christian classic, The Basket of Flowers, come these tales of godly virtues that families will enjoy reading together.
