Tangled In Texas (Texas Rodeo)

Synopsis

Thirty-two seconds. That's how long it took for Delon Sanchez's life to end. One minute he was the best bronc rider in the Panhandle and the next he was nothing. Knee shattered, future in question, all he can do is pull together the pieces . . . and wonder what cruel trick of fate has thrown him into the path of his ex, the oh-so-perfect Tori Patterson. Tori's come home after her husband's death, intent on escaping the public eye. It's just her luck that Delon limps into her physical therapy office, desperate for help. All hard-packed muscle and dark-eyed temptation, he's never been anything but a bad idea. And yet, seeing him again, Tori can't remember what made her choose foolish pride over love . . . or why, with this second, final chance to right old wrongs, the smartest choice would be to run from this gorgeous rodeo boy as fast as her boots can take her. Contains mature themes.

Customer Reviews

"Dell's ability to immerse her readers in the world of rodeo, coupled with her stellar writing, makes this a contemporary Western not to miss." ---Kirkus

Kari Lynn Dell is a third generation ranch-raised cowgirl, horse trainer, and rodeo competitor-as well as the 2013 Canadian Senior Pro Rodeo Association Breakaway Roping Champion. She is also a humor columnist for several regional newspapers and a national agricultural publication. Johanna Parker, an AudioFile Earphones Award winner, has earned an esteemed Audie Award and three Audie nominations. She has received high praise for her work in all genres, including her portrayal

of Sookie Stackhouse in Charlaine Harris's Southern Vampire Mysteries series.

Oh, what a tangled web we weave when first we practise to deceive!—Walter Scott
Just like real life, Delon and Tory could have saved themselves years of pain if they had only told each other how they really felt. They didn't, and then relationships got really twisted and tangled. If you haven't read book one in this series, *Reckless In Texas*, you might want to stop here. I can see no way to talk about this book without giving away major spoilers for book one. And book one was a wild ride, with Joe Cassidy, bullfighter extraordinaire, and Violet Jacobs, the only woman pick-up man in pro rodeo. And Beni. Beni is Violet's son—a son conceived after a drunken night at the Lone Steer Saloon, with Delon—Violet's life long best friend. A night they both regretted, but a night that gave them both a son they adore. Almost seven years after that drunken night, Delon is recovering from a serious riding accident, and not recovering well enough to have much hope of regaining his ability as one of the best professional bareback riders in the country. The new therapist just happens to be Tori Patterson, the same Tori from his past—the daughter of Senator Patterson. Texas royalty. Tori never wanted that life and Delon never thought a cowboy would ever fit in her life. Okay. What we have here is complicated. Complicated is almost a cliché in romance, but this one is really, really complicated. Delon and his older brother Gil have been close to the Jacobs family most of their lives. Iris and Steve Jacobs were like a second set of parents to those boys. Violet and Delon have a son together, and though they aren't in love, Delon always thought that someday they would marry and be a happy little family—until Joe Cassidy came along and swept Violet right off her feet. It was bad enough to see the mother of his son in love with another man, seeing the bond forming between his son and Joe almost pushed Delon over the edge. What saved him? Just one quick word about Beni, Violet and Delon's son. He is an exceptionally bright kid, very active and he causes a little trouble now and then. But he has already captured the title of best little cock-blocker in Texas! But that doesn't stop the renewal of a relationship between Tori and Delon, and it doesn't affect the best, funniest and most realistic sex scene I've ever read! Grab a copy and Enjoy! 2shay (Review from the blog, chezshay.online)

I really enjoyed this book! Matter of fact, I about scared my weinerdogs to death, waking them from their sound naps to laugh out loud at Shawnee and her mouth!! Yes, the story started off a little slow, but once it got going, it took off! Like most everybody, these two had a past and it took a while to deal with it all. Kinda hard not to when there's a six year old running around reminding you of the

aftermath. There's a special place in this world for cowboys, the real ones that is. They don't all look like the cover of this book, matter of fact, most of them don't. And they won't be comfortable in tuxedos and probably won't like technology much either. And I can guarantee they normally don't have much money, BUT,,, cowboys care about their families hard, and they love the four "L's" - their land, their livestock, their ladies and their lives. This is very evident in this story and the author did an awesome job bringing it out. Its obvious she knows many and knows what they are all about. I have to say I loved the story, (don't care for the sex - not necessary to add that crap in there) but the additional characters are what made it!!! Especially Shawnee! Her mouth and then Tori's lack of a filter with her mouth just made this whole story pop! Now I have to get the first one, and definitely have to get Shawnee's story when it comes out. Thanks Kari!!! Keep writing about these special men.

Kari Lynn Dell has done it again! Once again with Tangled in Texas she has ducked me in to this second chance story. Her knowledge and attention to detail is impeccable. I love the use of music useful at what and how Delon is feeling. Tori Patterson and Delon Sanchez met while she was in college and had fast, hard sexual relationship. These were two stubborn people. Once Delon found out she was a "Patterson" he didn't think he was good enough for her and Tori not wanting to risk what they had by asking for more settle for way less then she should have until one day she just disappears. Fast forward six plus years later they meet again when both of them are messed up and their lives are spinning out of control. I love revisiting characters from Reckless in Texas. Violet Jacob's and Delon young son Benni is a hoot! And Gil, we'll as messed up as he is I have a soft spot for him. Can not wait for Tougher in Texas!

A moving story of transitions and evolution as an injured bronc rider finds that relinquishing old dreams can lead to new ones. Characters are well developed and have fears, concerns, and hopes that are easy to relate to. Very good read, great characters, and a happy ending never hurts.

Very interesting story about the meeting of former "friends with benefits". Both have histories since they parted and they both have family and notarity issues! I bought an e-book of this story and also received a free paperback from the publisher.

Wow Weeee Yeeeee Haawww You certainly keep a reader glued to and turning pages quickly. Learned alot about Rodeos. Your characters were very intriguing and complex. Enjoyed your

storytelling immensely.

Loved this book as much as the first one in the series and cannot wait until the next one comes out. It is well written and lived the characters. Good job Kari Lynn Dell !!

Lots of action and romance. Good lessons on life, you cry, laugh, and on occasion get a little bored. But the book is great.
