Customer Reviews

Clairol's complete textbook on hair coloring. Illustrated. 1962.

I know this book is old, but the fundamentals of hair coloring has not changed that much. It deals a lot with hair coloring problems, like hair being over porous, virgin hair, too red, too ash, and etc. Mixing hair colors is like mixing paint and applying it. I had a book like this years ago and was so glad to see it again. Yes I am a hairdresser.
