# Perfect Sight Without Glasses - The Cure Of Imperfect Sight By Treatment Without Glasses - Dr. Bates Original, First Book - Natural Vision Improvement: TextBook - Teacher/Student Edition

## Synopsis

Natural Eyesight Improvement taught directly from the Ophthalmologist that discovered it in the 1800 - 1900s. Dr. Bates 1st, Original book. Contains all his treatments, including practices removed from new editions after 1940. Also includes 132 natural vision training methods from PAGE TWO of Dr. Bates Better Eyesight Magazine - Issues July, 1919 to June, 1930. (Training Video Included.) This is the Large Kindle Textbook Edition. It contains many additional Natural Eyesight Improvement practices with pictures from Original and Modern Bates Method teachers and more pages, training by Clark Night, a Natural Vision teacher with over 30 years of experience applying and teaching the Bates Method. Tools for teaching and learning. All of Dr. Bates book pages are scanned into the Kindle in the Original Antique print. The main treatment used to obtain clear eyesight is; Shifting and Relaxation. And avoiding eyeglasses. Many ways to practice shifting are described in this book. This is how to shift; when you look at something, shift on it part to part; look at a small part, then move (shift) from that small part to another small part, then to another small part, another... Blink. You are imitating, inducing natural function of the eyes and vision. With practice it becomes an automatic subconscious habit. The eyes' relaxed, natural movement returns and occurs on its own. The eyesight remains clear. This Main Secret For Clear Eyesight is hidden by most eye doctors and high priced vision teachers. Try it; look at a tree and move your attention on it from part to part. Blink. Reducing your eyeglass strength, driving... with a safe/legal prescription, permanently removing glasses and other subjects are taught in this Edition.

Ophthalmologist William Horatio Bates discovered Natural Eyesight Improvement, 'The Bates Method'. He discovered the true function of the eyes (visual system) and applied natural methods, relaxation to return the eyes, eye muscles to normal function-healthy eyes, clear vision. He cured; unclear close and distant vision, astigmatism, crossed, wandering eyes, cataracts, glaucoma & other eye conditions. Natural Eyesight Improvement was practiced years before Dr. Bates discovered it. It is the normal, natural function of the eyes. Dr. Bates book, magazines, method were hidden from the public by Eye Surgeons, Optometrists, Optical businesses for over 100 years because this method works, is easy, anyone can learn, teach it, including children. It produces healthy eyes, clear vision and frees the patient from the need to purchase eyeglasses, drugs, unnecessary eye surgery. Yes, it can and has reversed cataracts, other eye conditions! 20 Free Natural Eyesight Improvement PDF E-books included with this Kindle. Printable, in Color. Unlocked; No Password. See the 'Thank you Page' inside the Kindle book and here; <http://cleareyesight-batesmethod.info> Add the books to your Kindle for a variety of training and in depth study of Ophthalmologist Bates's Method. ## Customer Reviews

the content within the book is precious. surprisingly, this original text is better explained and easier to understand than later books based on same method. only one thing I disliked, was the huge size of the papers and cover of the book, which wasn't necessary..makes it a little less comfortable to

read. all in all, best resource for bates method than anywhere else.

love it. Everybody should read it.

A poorly formatted text probably from conversion to kindle digital book. The original text seems very interesting although it is way too verbose. Maybe that was appropriate at the time of the original writing but reading it today it was a bit boring. The strange formatting and some words being pulled together makes you start not trusting the headers and chapters which is very irritating.

everyone should read this book. it will help you see better buy this book, you [will] be [glad] you did. this has helped my eyes so I can see better R.D. Roberts

Too heavy reading without a precise laid out exercise plan. (kindle) Terrible, terrible setup of the book: no real chapters, very few paragraphs and strange sections marked as bold in the middle of a sentence. Also constantly shifting between blue and black font color etc. The end of the book is one big unbroken text. Created it like it was just a copy paste job. There is only one exercise in the book: do palming and practice your imagination to see black objects. Relax your mind. That's it.

I can't find the actual exercises that you do & there are too many articles to read. I'll save it till I have time to enjoy it.

Product is good and delivery fine. The instructions from Dr Bates are amazing. So glad the author made this available to us.

Good hopefully it will work.
