1599 Geneva Bible

Synopsis

When the Pilgrims arrived in the New World in 1620, they brought along supplies, a consuming passion to advance the Kingdom of Christ, and the Word of God. Clearly, their most precious cargo was the Bible—specifically, the 1599 Geneva Bible. All but forgotten in our day, this version of the Bible was the most widely read and influential English Bible of the sixteenth and seventeenth centuries. A superb translation, it was the product of the best Protestant scholars of the day and became the Bible of choice for many of the greatest writers and thinkers of that time. Men such as William Shakespeare, John Bunyan, and John Milton used the Geneva Bible in their writings. William Bradford also cited the Geneva Bible in his famous book *Of Plymouth Plantation*. The Geneva Bible is unique among all other Bibles. It was the first Bible to use chapters and numbered verses and became the most popular version of its time because of the extensive marginal notes. These notes, written by Reformation leaders such as John Calvin, John Knox, Miles Coverdale, William Whittingham, Anthony Gilby, and others, were included to explain and interpret the Scriptures for the common people. Word-for-word accuracy of the 1599 Geneva translation, Modern spelling, Easy-to-read print, Middle English Glossary, Original cross references, Thousands of original study notes by the Reformers, Includes articles by Gary DeMar and Dr. Marshall Foster on the history of the Geneva Bible,

Customer Reviews

The publication and promulgation of the 1599 Geneva Bible will help restore America's rich Christian heritage and reclaim the culture for Christ. --Dr. D. James Kennedy, Senior Pastor of Coral

Ridge Presbyterian Church

I ordered a hardcover and I got paperback I paid the money so I should get what I paid for.

Of course it will take me awhile to read through it, but so far so good, I mainly wanted a legitimate bible that was not sanctioned by a king, Especially not King James

Excited to receive and utilize

Classic, must have

A beautiful Bible to own. Got here BEFORE it's expected date. I am very happy.

This is such an amazing and blessed bible! The most recommended ever!

The Geneva Bible's notes were very small. I wish overall that the print could have been bigger.

This was a gift that she had been asking for for many months. She was delighted to get it.
