Customer Reviews

The map is too general to find specific addresses since it only has major streets and arteries shown. It does give a good general overview of a large metropolitan area.

I was looking for a completely detailed map of Dallas, but was disappointed. Several streets I know should be shown but are not.....Having Fort Worth on the same map dilutes the one for Dallas. I've lived in both cities and others in the area, but have been gone for 18 years or so. Some of the

streets names have been changed and new shopping centers added. It needs to be more thorough.

Good quality paper map which did not year when we used it in the car folding it back and forth.

Exactly what I wanted. Moved to Dallas and this helped us map out places we might want to live.

Good map, wish it were laminated.

Needs updated naturally as DFW is changing significantly every year

Good map

Good map. Not really sure what else to say here
