For my daycare we use story CDs to get them ready on their cots ready for nap.. Couple of the littles were not impressed. They didn't like the one man voice. They wanted the characters. They asked me to put the older story CDs in..ughh :/

great for travel....would recommend to any parent.

Great item

My kids listen to the stories, it has a large collection, they seem to enjoy it a lot.

Bought this for my kids, ages 2 and 5, they fall asleep so fast listening to these stories! We didn't see a problem with any "scary parts", both voices are very calming. It's a great audio collection,

Great variety of books, narrator has a smooth voice and puts my daughter right to sleep

These are wonderful stories and my daughter has enjoyed listening to these!

Grandson loves them.
