# Celebrating Canada: Decorating With History In A Contemporary Home

## Synopsis

A visual journey showcasing how history can make a house a home, a reminder of the strength of character and ingenuity entrenched in Canada's history. Inspired by the 150th anniversary of Canadian confederation – the same year recognizing 375 years of settlement in Montreal – Quebec antiques professional Peter E. Baker brings life to Canadian history and demonstrates how antiques and folk art can successfully be incorporated into a contemporary lifestyle, providing a home with a unique identity. Drawing from a single collection, the author selects and showcases objects spanning three centuries of Canadian history, from the early days of French settlement to the creative boom of late-20th-century folk artists. Amply illustrated, and written in a conversational, easy-to-read style, this is not a traditional technical study of antiques representing a specific type or region. Celebrating Canada showcases the story and the artistic merits of each object.

## Book Information

Hardcover: 240 pages

Publisher: Dundurn (June 3, 2017)

Language: English

ISBN-10: 1459740327

ISBN-13: 978-1459740327

Product Dimensions: 10 x 1 x 12 inches
